Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The business shall ensure that all employees are trained in their responsibilities in relation to the sale of alcohol and the further licensing objectives. Records will be kept of their training and refresher training will occur at least every 12 months. The business will ensure there are enough competent employees on duty when conducting licensable activities.

b) The prevention of crime and disorder

We will ensure all employees understand the social responsibilities associated with the sale and supply of alcohol. Employees will be trained on not to sell alcohol to drunk or intoxicated customers.

All employees are trained on conflict management.

An incident book will be maintained which will ensure full details of all occurrences of disorder. Refused alcohol sales will be recorded in the incident book.

A detailed "Customer Code of Conduct" poster is displayed warning customers that if they act in an inappropriate manner they could be asked to leave the premises.

There will be clear signage on the entrance to the premises displaying the hours of trading for both the shop and the bar.

There will be clear signage on the entrance and exit of the premises to inform and ensure customers stay within the designated external areas for the consumption of alcohol.

The business shall not advertise, promote, sell or supply alcoholic drinks in such a way that is intended or likely to encourage persons to consume alcohol to an excessive extent.

Suitable external lighting will be installed to discourage disorder whilst minimising impact on neighbouring properties.

All glassware in which drinks are served shall be of strengthened glass material (tempered glassware) whereby in the event of breakage, the glass will fragment with no sharp edges being left.

Where beverages are served for consumption on the premises from a glass bottle, the glass bottle shall not be left in the

Continued from previous page...

possession of any patrons after service following the discharge of the contents into an appropriate glass or drinking vessel. No patron will be allowed to leave the premises while in possession of an open glass bottle. Glass bottles will be sold via the shop for consumption strictly off the premises.

Alcohol supplied via delivery will not be delivered to a public place. All details of the customer will be kept and recorded within the business system for the authorities to refer to if required.

c) Public safety

A full risk assessment considering Public Safety will be carried out and reviewed at least every 12 months. All employees will be trained in the risk assessment.

A full fire risk assessment will be conducted by a suitably qualified person and reviewed annually. The identified requirements of the risk assessment will be implemented fully. The fire alarm will be maintained biannually and checked internally weekly.

Emergency exits will be clearly designated, and employees will be trained to ensure access is maintained.

First aid equipment and materials will be readily available if required. The contents will be checked weekly.

Electrical systems will be tested in accordance with the regulations by a competent person and records stored.

Employees will be trained on emergency and evacuation procedures.

Employees will be trained to collect glassware regularly to minimise the amount of glassware on the tables.

Signs will be displayed to remind customers that no glassware must be taken outside of the designated seating area.

During opening hours, toilets will be inspected every 2 hours to ensure they are maintained in a good working order.

d) The prevention of public nuisance

Despite our industrial and relatively remote area, to minimise public nuisance, all customers will be asked to leave quietly. Clear and legible notices will be displayed to remind customers to do so.

The main entrance is fitted with an effective lobby to minimise noise breakout.

Litter bins will be placed on the exits of the outside seating areas, around the car park and on the final exit of the site to minimise litter.

Employees will be trained on appropriate noise management.

The business will operate a zero-tolerance policy towards customers who are persistently rowdy when leaving the premises and site.

The business will maintain working arrangements with local taxi / private hire operators and take reasonable steps to communicate this with our customers.

Noise generated by amplified music will be controlled by a noise limiting device.

e) The protection of children from harm

We will operate a Challenge 25 Age Verification Policy. The only acceptable proof of age identification will be a current passport, driving license or document carrying the PASS logo.

Signage will be on display at the point of entry to the premises advising customers they maybe asked to produce evidence of their age.

Continued from previous page...

All employees will be trained and reminded of underage sales prevention regularly.

We will operate a policy that all under 18s are to be accompanied and under the instruction of an adult at all times whilst on site.

A log of refused sales shall be kept and maintained on the premises.

A sign will be displayed on entrance to the premises which gives details of the age restrictions relating to the admission of children to the premises.

Where alcohol is supplied via delivery it will not be delivered to a public place. All details of the customer will be kept and recorded within the business system for the authorities to refer to if required. The delivery company will be instructed to operate the Challenge 25 Age Verification Policy. Our systems will use publicly available information to verify the purchases age prior to shipment of the goods.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
