APPLICATION DETAILS

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

I/we, as named in section 1, being the premises licence holder, apply to vary a premises licence under section 34 of the Licensing Act 2003 for the premises described in section 2 below.

VARIATION

Do you want the proposed
variation to have effect as
soon as possible?

☒ Yes

☐ No

Do you want the proposed variation to have effect in relation to the
introduction of the late night levy?

☐ Yes

☒ No

You do not have to pay a fee if the only
purpose of the variation for which you are
applying is to avoid becoming liable to the
late night levy.

If your proposed variation
would mean that 5,000 or
more people are expected to
attend the premises at any
one time, state the number
expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

By way of background, the current premises licence was granted in January 2024. It effectively reinstated (albeit on more onerous terms) a long-held premises licence which unfortunately lapsed irretrievably due to the insolvency of the previous premises licence holder. The previous premises licence permitted both live and recorded music to be played in the garden until 00.30 am. and 1.00 a.m. respectively throughout the week with no restrictions. A copy of the old licence is attached at Annex 1.

This is an application to extend the hours permitted for the playing of recorded music only in the back garden of the premises from 10.00p.m to 11.00pm Sundays to Thursdays and 11.00 p.m. to 00.00 a.m. (midnight) on Fridays and Saturdays and to permit windows to be left open when regulated entertainment is playing (to prevent overheating inside). Given that all recorded music must be played through a noise limiter (which has been set at a level determined by Environmental Health) and the applicant is unaware of any recent noise complaints, it is submitted that the current conditions are sufficient to ensure that the public nuisance objective is upheld. Attached at Annex 2 is a report from RDA Audio which outlines the technical equipment and other measures in place to ensure that the playing of outside music is not a nuisance.

A series of temporary event notices were used over the Easter period to trial the later hours. On 26 June 2025 both EHO and police officers attended the premises for a routine inspection and confirmed that no complaints had been received over this period.

For the avoidance of doubt this application is:

(1) Amend from annex 2 condition 17 to now read:

Regulated entertainment in the garden will cease by 22:00 Sunday to Thursday and 23:00 Friday and Saturday (save for recorded music only shall be permitted in the garden until 23:00 Sunday to Thursday and 00:00 (midnight) Friday and Saturday).

(2) Remove from annex 2 condition 18.
