Dear Mr Nelson

Town and Country Planning (Development Management Procedure) (England) Order 2010 – Part 6 Local Development Orders Article 34 – Norwich City Local Development Order concerning the replacement of windows and doors in flats.

I refer to your letter of 9 July 2012 referring to the Secretary of State for Communities and Local Government ("The Secretary of State") an application for a Local Development Order.

As you know, the Secretary of State's has 21 days to outline whether he wishes to intervene in the proposal to adopt a Local Development Order, the details of which are contained in the Local Development Order for replacement windows and doors in flats.

This is to confirm that the Secretary of State does not wish to intervene in this case.

Yours sincerely
