Emergency contact details

Under the terms of the allotment rules, you must provide us with two emergency contact numbers.

Primary number:

Secondary number:

Structures

Is the new structure to house your livestock? **Yes** **No**

Please check the allotment rules first to ensure that your structure meets with the maximum size allowed and also the minimum sizes required for that particular livestock. Please also ensure the position of the structure meets the requirements of the allotment rules.

Sketch

Please provide a sketch below showing where you will place your structure

Sizes

Please enter the sizes below:

| | Structure | Length | Width | Height |
|---|------------------|---------------|--------------|---------------|
| 1 | Hen house | | | |
| 2 | Hen run | | | |
| 3 | Rabbit hutch | | | |
| 4 | Rabbit run | | | |

Once we have received your completed form we will send you out a copy of the livestock guidance for the allotments. This has information relating to the Animal Welfare Act 2006, you must ensure that you are able to comply with this legislation.
