

Norwich City Council Annual Parking Report 2014/15

Under the Local Government Transparency Code Norwich City Council is required to publish or place a link providing the following information:

- Annual parking income and expenditure
- How any surplus is re-invested
- The number of controlled on and off-street parking spaces.

Introduction

Norwich City Council is a district council providing parking services (and facilities) to residents, businesses and visitors through its own off-street car parks and through an agency agreement with Norfolk County Council for on-street parking.

Parking in Norwich

The council operates 14 off-street car parks providing 2,672 spaces and around 700 spaces for on-street parking. More information on charges and the location of the car parks/on-street spaces can be found via the following links:

Parking fines are issued to owners of vehicles who breach the council's parking regulations. Payment of parking fines can be made in cash or by debit/credit card and also on-line via the council's website.

Parking account 2014/15

The council is also required to publish details of the annual income and expenditure on the parking account and to show how any surplus has been re-invested in council services.

Off-street

The surplus of £2,629,894 was reinvested in the provision of outdoor recreational facilities available to the general public without charge and highway maintenance (cleansing).

On-street

The surplus of £54,755 was passed on to Norfolk County Council under the terms of the agency agreement and used to support highway related projects within the Norwich Area Transportation Strategy.
