

## River Wensum Strategy: Table of minor / consequential changes and updates

Document ref	Proposed change	Reason
Table of contents, para 1.11, and section 9	Delete section 9 (How to comment) Delete reference to consultation in table of contents, and delete para 1.11.	Related to consultation – no longer required.
Executive summary	Under ‘Access and Leisure’ amend first bullet to delete reference to the missing link project between Fye Bridge and Whitefriars.	To reflect the fact that the project is proposed to be deleted from action plan.
Executive summary	Amend first sentence of second paragraph under ‘Action Plan and Funding’ to add “and relevant stakeholders and community groups” after ‘external partners’.	To reflect proposed change PC6
Executive summary	Delete section ‘Comments on the Strategy’. Also amend fifth para of ES to take out reference to consultation.	Related to consultation – no longer required.
Executive summary plan	Include potential projects and reflect deletion of project A2.	Consequential change
Para 1.6	Second bullet: amend reference to BID to read “..which has recently expanded its area to include part of the River Wensum..”.	Factual update
Para 1.7	Delete ‘draft’ from first sentence.	Update as strategy is no longer draft
Para 1.9	Amend date for end date of strategy to 2028, and clarify the status of the document.	Update and clarification.
Para 2.1	Amend reference to stakeholder and public consultation	Update now that second consultation has taken place
Para 2.5	Revise reference to focus of strategy being on city centre, and refer to future identification of additional projects	To reflect proposed change PC12
Para 3.7	Amend final sentence of para 3.7 to add reference to a Strategic Board as well as Delivery Board.	To reflect existing text in section 8.
Para 3.13	Delete reference to Wild Anglia. Add ‘Project’ after Norwich Fringe.	Consequential change Factual update
Para 4.2	Add new final sentence: “An interactive map showing existing and proposed riverside walk, including improvements proposed in this strategy, can be viewed on the city council’s website.”	Opportunity taken to provide a clear and up-to-date plan of riverside walk within the city. This will be available on the NCC website by adoption of the strategy.

<b>Document ref</b>	<b>Proposed change</b>	<b>Reason</b>
Para 4.3	Make reference to a new initiative – local cycling and walking infrastructure plan	Update
Policy 2	Revise end date of strategy to 2028, and amend final clause of policy to refer to “missing sections” of riverside walk upstream of New Mills.	To reflect revised end date of strategy, and the fact that there may be several missing sections that will be completed.
Para 4.9	Delete final sentence	No longer necessary as project deleted.
Para 4.10	Replace “GI” with “green infrastructure”.	For clarity
Para 4.15	Final sentence: add “currently” after “It therefore does not”, and delete “for this strategy”.	To reflect the fact that the action plan is a living document.
Para 4.21	Changes to para 4.21 to reflect that project A3 is currently underway	Update
Para 4.28	Changes to para 4.28 to reflect that project A2 (access and signage improvements) is currently underway	Update
Para 4.34	Delete “recently” from first sentence.	Update
Para 4.37	Delete “will” from final sentence and replace with “may”.	To reflect that project A2 has already commenced so may not be impacted by Norfolk Trails status.
Map 11	Add Jarrold Bridge	Update required to map base
Para 5.35 App.2	Final bullet: add “(see appendix 2)” after Advice Note, and add link to the Navigation Advice note into Appendix 2.	Update required as this was omitted from Draft version.
Para 5.39	Penultimate sentence: delete “potentially in 2018 at earliest”.	To reflect uncertainty over timing at present
Para 6.13	Amend to read “...Strategy and Delivery Boards..”	Update to reflect section 8.
Para 6.22	Amend reference to Landscape and Trees SPD – no longer “recently adopted”	Factual update
Para 6.43	Amend paragraph to clarify that development on presently unidentified sites may have potential to enhance the riverside environment	For clarification
Para 6.44	Delete list of conservation area appraisals.	CAAs already mentioned in proposed change PC3.

<b>Document ref</b>	<b>Proposed change</b>	<b>Reason</b>
Para 7.6	Amend strategy end date to 2028	Update to reflect a 10 year period from 2018.
Para 8.8-8.9	Amend references to recommending that Strategic and Delivery Boards are set up.	Factual update – these are proposals
Appendix 3	Add to end of second bullet under Walking and Cycling Access: "...whilst ensuring that impacts on biodiversity are minimised."	For clarification
Appendix 3	Add new footnote in relation to priority species in second bullet under Environment – habitat improvement: "Priority species are those included under Section 41 of the Natural Environment and Rural Communities Act 2006, and have been identified as being some of the rarest and most threatened species in England."	For clarification
Appendix 3	Add additional bullet point under Environment – habitat improvement: "Seek opportunities to control and manage non-native invasive species within the river corridor."	Consequential change – relates to existing text in strategy.
Various	Update action plan references where required	Consequential changes
