Dear Ms Davison

Norwich Local Plan - Draft Affordable Housing Supplementary Planning Document.

Thank you for your e-mail inviting Historic England to respond to the Norwich Local Plan - Draft Affordable Housing Supplementary Planning Document.

As a result of the number of consultations we are currently receiving, we regret that we are unable to comment specifically at this time.

We do however recommend that the advice of your local authority conservation and archaeological staff is sought as they are best placed to advise on local historic environment issues and priorities, including access to data, indicate how historic assets may be impacted upon by the Plan, the design of any required mitigation measures and opportunities for securing wider benefits for the future conservation and management of the historic environment. If you have specific questions relating to the historic environment that cannot be answered by your local conservation and archaeological specialists, please contact Historic England's regional Historic Places Team, who can be reached on 01223 582749.

Although we have not been able to provide a substantive response at this stage, this does not mean that we are not interested in further iterations of the document. Please note that we may still advise on, and potentially object to, any specific development proposal(s) which may subsequently arise from this or later versions of the documents subject to the consultation.

Please do not hesitate to contact us if you have any questions.

Yours sincerely,

Debbie Mack
