### **YOUR COMMENTS ON THE CASE**

Dear Sir/Madam

I write on behalf of the Churches Conservation Trust to express concerns about the proposal for the development of Anglia Square and the impact it would have on the setting of St Augustine's church. St Augustine's church is listed grade I and dating back to the 15th century. Following a declaration of redundancy and due to its historical and architectural importance, it was vested in the Trust in 2000 to ensure its preservation.

While we support the redevelopment of the area in principle, we wish to object to the scheme as proposed.

The scale and density of the proposed development would be detrimental to the setting of the church in the surrounding historic landscape and would have a significant and negative impact on the many valued views of the city.

Regards

Gabriella Misuriello

Head of Conservation
