## ANGLIA SQUARE SUBMISSIONS BY THE 29th OF NOVEMBER 2019. FROM THE NORWICH OVER THE WATER SOCIETY

This is a third set of submissions to the call in by the planning Inspectorate of the Anglia Square redevelopment.

The Norwich Over the Water Society as provided three sets of information.

- The first was a yellow folder consisting of four parts, setting out in detail our opposition to aspects
  of the Anglia square redevelopments, and the council's attempts to castrate it. These were
  presented before the May deadline.
- Supplementary information was presented in October in relation to the call in by the Planning Inspectorate.
