

APPEAL REF: APP/G2625/V/3225505

ADDRESS: ANGLIA SQUARE, NORWICH

Agenda for round table session on housing

1. The need for housing in Norwich

This item will include consideration of the appropriate scale of analysis, sources of data and the need for affordable housing

2. The mix of unit sizes

This item will include mix for both market and affordable housing

3. Tenure mix of affordable housing

4. Phasing of affordable housing

5. The quality of the residential accommodation

This item will include consideration of unit size and orientation, single/dual aspect, access corridors and access to outdoor amenity space

6. Conclusion – the contribution of the proposals to meeting housing needs

7. Any other relevant matters

Note – insofar as the overall amount of affordable housing is affected by viability considerations, that will be covered elsewhere in the Inquiry
