

Norwich City Council – Safer Neighbourhoods Initiative Community Fund

Alley gate application

Dear Neighbour,

Opportunity to apply for Council funding for gating of alleyway

We are considering installing an alley gate to address problems caused by unrestricted access to the alley and the rear of our properties.

There is currently funding available from Norwich City Council to cover 100% of the cost to help prevent burglary or anti-social behaviour.

Any alley gate scheme will need the written consent of all the property owners whose property is served by the alley.

Please indicate your support, or otherwise, for this scheme by completing the accompanying form and returning it to me at:

Many thanks

_____ (lead resident)

Norwich City Council – Safer Neighbourhoods Initiative Community Fund

Alley gate application – property owner consent form

Name: _____

Address: _____

Tick ONE of the following statements

- I/ We are the owners of this property and support the application for the alley gating scheme named above and confirm that if the scheme is approved and gates are installed:
- I/ We are the owners of this property and I do not support the alley gating scheme (Please state why)

If you support the scheme please also tick the following statements to confirm you are aware of the ongoing responsibilities.

- I/We will have the responsibility for the key and its usage including the handover to any future resident, landlord or property owner of my address. I will ensure gates are locked after my use.
- I/We understand that, once the gates are installed it is the responsibility of the residents to maintain the gates including damage of either an accidental or deliberate nature.

Signed:
