

**THE NORWICH CITY COUNCIL (CONTROL OF ALCOHOL) PUBLIC SPACES
PROTECTION ORDER NO. 1 of 2021**

1. This Public Spaces Protection Order is made by Norwich City Council of City Hall, St Peters Street, Norwich, Norfolk (hereinafter called "the Council"). The Council makes this Order pursuant to section 59 of the Anti-social Behaviour, Crime and Policing Act 2014 which Act is hereafter referred to as "the Act".
2. In this Order "authorised person" means a person authorised for the purposes of section 63 of the Act by the Council.
3. The Council makes this Order as the Council is satisfied upon reasonable grounds firstly that anti-social behaviour associated with drinking alcohol in public places has been carried on or is likely to be carried on within the public places identified in this Order and that these activities have had or are likely to have a detrimental effect on the quality of life of those living in the locality and further that the effect or likely effect of this activity is or is likely to be of a persistent or continuing nature and is or is likely to be such as to make the activity unreasonable and justifies the restrictions imposed by this Order.
4. No person shall at any place to which this Order applies consume alcohol after being warned not to consume alcohol by a constable or an authorised person.
5. A warning given under paragraph 4 of this Order may be given verbally or in writing and in either case a warning shall be in effect for a period of one week from the date and time the warning was given.
6. The prohibition obtained in paragraph 4 of this Order does not apply to any place specified in section 62 of the Act as a place where a prohibition in a Public Spaces Protection Order on consuming alcohol does not apply.
7. The public places within the City of Norwich identified specifically in Schedule 1 of this Order and the public places within the City of Norwich identified by description in Schedule 2 of this Order are the places to which this Order applies, subject to the exclusions contained in section 62 of the Act.
8. Pursuant to section 75 of the Act this Order is in effect on 1st May 2021 and continues in force for a period of three years from that date unless it is extended under section 60 of the Act, or varied or discharged under section 61 of the Act.
9. Under section 63 of the Act where a constable or an authorised person reasonably believes that a person is or has been consuming alcohol in breach of a prohibition in a Public Spaces Protection Order or intends to consume alcohol in circumstances in which doing so would be a breach of a prohibition in a Public Spaces Protection Order then the constable or authorised person may require that person not to consume in breach of the Order alcohol or anything which the constable or authorised person reasonably believes to be alcohol and under section 63(2)(b) of the Act a constable or an authorised person may require that person to surrender to the constable or authorised

person anything in their possession which is, or which the constable or authorised person reasonably believes to be, alcohol or a container for alcohol.

10. A constable or an authorised person who imposes a requirement on a person under section 63 of the Act must tell the person that failing without reasonable excuse to comply with the requirement is an offence. A requirement imposed is not valid if the constable or authorised person fails to show to the person receiving the requirement evidence of his or her authorisation if they are asked to do so by that person.
11. A constable or an authorised person may dispose of anything surrendered under sub-section (2)(b) of section 63 of the Act in whatever way he or she thinks appropriate.
12. A person who fails without reasonable excuse to comply with a requirement imposed on him or her under section 63 of the Act commits an offence and is liable under summary conviction to a fine not exceeding level 2 on the standard scale.
13. Under section 67 of the Act it is an offence for a person without reasonable excuse to do anything that the person is prohibited from doing by a Public Spaces Protection Order, or to fail to comply with a requirement to which the person is subject under a Public Spaces Protection Order. A person guilty of an offence under section 67 of the Act is liable on summary conviction to a fine not exceeding level 3 on the standard scale. However, a person does not commit an offence under section 67 of the Act by failing to comply with a prohibition or requirement that the Council did not have power to include in a Public Spaces Protection Order.
14. Consuming alcohol in breach of this Order is not an offence under section 67 of the Act but reference should be made to section 63 of the Act.
15. This Order may be cited as the Norwich City Council (Control of Alcohol) Public Spaces Protection Order No. 1 of 2021.
