

Norwich City Council Annual Parking Report 2019/20

Under the Local Government Transparency Code Norwich City Council is required to publish or place a link providing the following information:

- Annual parking income and expenditure
- How any surplus is re-invested
- The number of controlled on and off-street parking spaces.

Introduction

Norwich City Council is a district council providing parking services (and facilities) to residents, businesses and visitors through its own off-street car parks and through an agency agreement with Norfolk County Council for on-street parking.

Parking in Norwich

The council operates 13 off-street public car parks providing 2943 spaces and around 500 public spaces for on-street parking. There are also approximately 15,000 on-street designated permit parking spaces. More information on charges and the location of the car parks/on-street spaces can be found via the following links:

- [Car parks](#)
- [On-street](#)

The council also has a number of residents' priority parking schemes within the city which give priority to residents, their visitors and local businesses. More information on residents and business parking can be found via the following link:

Civil Parking Enforcement

Norwich City Council uses the [Norfolk Parking Partnership civil parking enforcement manual](#) to ensure a continuity of enforcement across the county. Parking fines are issued to owners of vehicles who breach the council's parking regulations. Payment of parking fines can be made on-line via the council's website.

Parking account 2019/20

The council is also required to publish details of the annual income and expenditure on the parking account and to show how any surplus has been re-invested in council services.

Off-street

The surplus of £2,390,660 was invested in essential Council services to support the residents of Norwich.

On-street

There was a deficit of £89,158 due to the effects of Covid. This was funded by Norfolk County Council under the terms of the agency agreement.
