

FIRE! KEEP SAFE

IF A FIRE BREAKS OUT IN ANOTHER PART OF THE BUILDING

- **Stay put** it is normally safe to do so
- **Listen** to all direction provided by the Fire and Rescue Service
- **Leave immediately** if there is any sign of heat or smoke inside your home
- **Leave immediately** if you feel unsafe

IF THERE IS A FIRE IN YOUR HOME

- Alert as many people as possible, and **leave immediately**, closing all doors behind you
- **GET OUT, STAY OUT, AND CALL 999**

REMEMBER

- **Close all doors** in your home at night
- **Plan your escape** routes and keep your exits clear
- Keep communal areas **clear**
- **Do not smoke** within the communal areas
- Avoid storing or charging devices with **lithium batteries** (mobility scooters, e-bikes, and e-scooters) indoors. If indoor charging is necessary, choose a room with a closable door. Avoid locations that may obstruct your exit, such as hallways or communal areas.
