What you must do to comply with the law

The report may include **Contraventions** - matters which do not comply with the law . You must address all of the contraventions identified; failure to do so could result in legal action being taken against you.

As a guide, contraventions relating to cleaning, temperature control and poor practice, should be dealt with straight away.

Contraventions relating to structural repairs, your food safety management system and staff training, should be completed within the next 2 months.

Health and safety contraventions should be dealt with within 3 months unless otherwise stated.

To assist you the report may also include **Observations** of current practice, useful **Information, Recommendations** of good practice and reminders of **Legal Requirements** .

My inspection was not intended to identify every contravention of the law and only covers those areas, practices and procedures examined at the time of the inspection. If the report fails to mention a particular matter this does not mean you have necessarily complied with the law.

FOOD SAFETY

How we calculate your Food Hygiene Rating:

The food safety section has been divided into the three areas which you are scored against for the hygiene rating: 1. food hygiene and safety procedures, 2. structural requirements and 3. confidence in management/control procedures. Each section begins with a summary of what was observed and the score you have been given. Details of how these scores combine to produce your overall food hygiene rating are shown in the table.

Compliance Area	You Score					
Food Hygiene and Safety	0	5	10	15	20	25
Structure and Cleaning	0	5	10	15	20	25
Confidence in management & control systems	0	5	10	15	20	30

Your Total score	0 - 15	20	25 - 30	35 - 40	45 - 50	> 50
Your Worst score	5	10	10	15	20	-

Your Rating is	5	4	3	2	1	0
----------------	---	---	---	---	---	---

Your Food Hygiene Rating is 4 - a good standard

1. Food Hygiene and Safety

Food hygiene standards are high. You demonstrated a very good standard of compliance with legal requirements. You have safe food handling practices and procedures and all the necessary control measures to prevent cross-contamination are in place. Some minor contraventions require your attention. **(Score 5)**

Hand-washing

Observation Hand washing was managed well and wash-hand basins were well stocked with hand cleaning material.

2. Structure and Cleaning

The structure facilities and standard of cleaning and maintenance are all of a good standard and only minor repairs and/or improvements are required. Pest control and waste disposal provisions are adequate. The minor contraventions require your attention. **(Score 5)**

Cleaning of Structure

Contravention The following structural items could not be effectively cleaned and must be covered or made non-absorbent:

- floor patchy - aiming to resurface in the near future

Cleaning Chemicals / Materials / Equipment and Methods

Observation I was pleased to see that the premises was kept clean and that your cleaning materials, methods and equipment were able to minimise the spread of harmful bacteria between surfaces.

Facilities and Structural provision

Observation generally very good with only minor issues requiring attention

3. Confidence in Management

There are generally satisfactory food safety controls in place although there is evidence of some non-compliance with the law. All the significant food hazards are understood and controls are in place. You are progressing towards a written food safety management system. You have a satisfactory track record. The contraventions require your attention; although not critical to food safety they may become so if not addressed. **(Score 10)**

Type of Food Safety Management System Required

Contravention You currently do not have a food safety management system or what you have in place is not suitable given the food risks associated with your business. Implement Safer Food Better Business (SFBB) or an equivalent food safety management system.:

Food Hazard Identification and Control

Contravention The Safe Methods in your Safer Food Better Business (SFBB) pack are intended to show you have identified the hazards to food and what you must do to

control them. The following Safe Methods were either missing from your SFBB pack or had not been completed appropriately:

Proving Your Arrangements are Working Well

Contravention The Management sections in your Safer food Better Business (SFBB) pack are intended to demonstrate you are in day-to-day control of the hazards to food. The following Management sections were either missing, incomplete or not up-to-date:

- four C's
- diary pages
- opening and closing checks
- cleaning schedule
- sous vide operational guide - method of processing

Allergens

Contravention You have not yet identified the allergens present in the food you prepare.

Recommendation Make a chart listing all your meals together with the 14 allergens (if present). Bring the chart to the attention of your customers and your staff.

Recommendation Add allergy information to your menu
