**What you must do to comply with the law**

The report may include **Contraventions** - matters which do not comply with the law . You must address all of the contraventions identified; failure to do so could result in legal action being taken against you.

As a guide, contraventions relating to cleaning, temperature control and poor practice, should be dealt with straight away.

Contraventions relating to structural repairs, your food safety management system and staff training, should be completed within the next 2 months.

Health and safety contraventions should be dealt with within 3 months unless otherwise stated.

To assist you the report may also include **Observations** of current practice, useful **Information, Recommendations** of good practice and reminders of **Legal Requirements** .

My inspection was not intended to identify every contravention of the law and only covers those areas, practices and procedures examined at the time of the inspection. If the report fails to mention a particular matter this does not mean you have necessarily complied with the law.

## FOOD SAFETY

### How we calculate your Food Hygiene Rating:

The food safety section has been divided into the three areas which you are scored against for the hygiene rating: 1. food hygiene and safety procedures, 2. structural requirements and 3. confidence in management/control procedures. Each section begins with a summary of what was observed and the score you have been given. Details of how these scores combine to produce your overall food hygiene rating are shown in the table.

Compliance Area	You Score					
Food Hygiene and Safety	0	5	10	15	20	25
Structure and Cleaning	0	5	10	15	20	25
Confidence in management & control systems	0	5	10	15	20	30
<b>Your Total score</b>	<b>0 - 15</b>	20	25 - 30	35 - 40	45 - 50	> 50
<b>Your Worst score</b>	<b>5</b>	10	10	15	20	-
<b>Your Rating is</b>	<b>5</b>	4	3	2	1	0

Your Food Hygiene Rating is 5 - a very good standard

### 1. Food Hygiene and Safety

Food hygiene standards are high. You demonstrated a very good standard of compliance with legal requirements. You have safe food handling practices and procedures and all the necessary control measures to prevent cross-contamination are in place. Some minor contraventions require your attention. **(Score 5)**

#### Contamination risks

**Contravention** The following exposed food to the general risk of cross-contamination with bacteria or allergens or its physical contamination with dirt, foreign objects or chemicals::

- pink pencil shavings seen to base of salad make up chiller
- damaged plastic sleeve adhering to ice machine cover

**Observation** I was pleased to see you were able to demonstrate effective controls to prevent cross-contamination.

#### Hand-washing

**Observation** I was pleased to see hand washing was well managed.

## Temperature Control

**Observation** I was pleased to see you were able to limit bacterial growth and/or survival by applying appropriate temperature controls at points critical to food safety and that you were monitoring temperatures.

## **2. Structure and Cleaning**

The structure facilities and standard of cleaning and maintenance are all of a good standard and only minor repairs and/or improvements are required. Pest control and waste disposal provisions are adequate. The minor contraventions require your attention. **(Score 5)**

### Cleaning of Structure

**Contravention** The following items were dirty and require more frequent and thorough cleaning:

- high level cleaning around soft drinks machine in rear store room as cobwebs were seen.
- high level cleaning in rear corridor to loading doors as cobwebs were seen
- dirt to earthing cabling to dedicated wash hand basin
- behind burger broiler as there was a build up of grease

### Maintenance

**Contravention** The following had not been suitably maintained and must be repaired or replaced:

- damaged and chipped floor tiles near rear loading area doors.

## **3. Confidence in Management**

A food safety management system is in place and you demonstrate a very good standard of compliance with the law. Food hazards are understood properly controlled managed and reviewed. Your records are appropriate and generally maintained. Your staff are suitably supervised and trained. You have a good track record. There are some minor contraventions which require your attention. **(Score 5)**

### Type of Food Safety Management System Required

**Observation** Your SFBB/food safety management system was in place and working well. I was confident you had effective control over hazards to food.

**Observation** You were monitoring (and recording) the temperatures of your fridges and freezers well as the temperature of cooked/hot-held food and could demonstrate effective systems for controlling bacterial growth and survival.

## Proving Your Arrangements are Working Well

**Contravention** The following matters are needed in order to demonstrate your food safety management system is working as it should:

- some areas had been missed on your cleaning schedule

## Traceability

**Observation** Your records were such that food could easily be traced back to its supplier.

## Waste Food and other Refuse

**Observation** You had measures in place to dispose of waste food appropriately and were employing the services of an approved waste contractor.

## Training

**Observation** I was pleased to see that food handlers had been trained to an appropriate level and evidence of their training was made available.

## Infection Control / Sickness / Exclusion Policy

**Observation** Policies were in place to prevent any infected food handler from contaminating food.

## Allergens

**Observation** You had identified the presence of allergens in your non-prepacked food and had brought this to the attention of your customers.

**Observation** You had clearly shown the presence of allergens in your food on your menu.

**Observation** You had devised a chart listing all the food you provide with the allergens present in each and had brought this to the attention of your staff and customers.
