#### What you must do to comply with the law

The report may include **Contraventions** - matters which do not comply with the law . You must address all of the contraventions identified; failure to do so could result in legal action being taken against you.

As a guide, contraventions relating to cleaning, temperature control and poor practice, should be dealt with straight away.

Contraventions relating to structural repairs, your food safety management system and staff training, should be completed within the next 2 months.

Health and safety contraventions should be dealt with within 3 months unless otherwise stated.

To assist you the report may also include **Observations** of current practice, useful **Information**, **Recommendations** of good practice and reminders of **Legal Requirements**.

My inspection was not intended to identify every contravention of the law and only covers those areas, practices and procedures examined at the time of the inspection. If the report fails to mention a particular matter this does not mean you have necessarily complied with the law.

### **FOOD SAFETY**

# How we calculate your Food Hygiene Rating:

The food safety section has been divided into the three areas which you are scored against for the hygiene rating: 1. food hygiene and safety procedures, 2. structural requirements and 3. confidence in management/control procedures. Each section begins with a summary of what was observed and the score you have been given. Details of how these scores combine to produce your overall food hygiene rating are shown in the table.

Compliance Area				You Score					
Food Hygiene and Safety				0	5	10	15	20	25
Structure and Cleaning				0	5	10	15	20	25
Confidence in management & control systems				0	5	10	15	20	30
Your Total score	0 - 15	20	25 - 30		35 - 40		45 - 50		> 50
Your Worst score	5	10	10		15		20		-
		·							
Your Rating is	5	4	3		2		1		0

Your Food Hygiene Rating is 4 - a good standard

# 1. Food Hygiene and Safety

You have a good track record. There are some minor contraventions which require your attention. Your records are appropriate and generally maintained. (Score 5)

#### Contamination risks

**Observation** I was pleased to see you were able to demonstrate effective controls to prevent cross-contamination.

### Hand-washing

**Contravention** The following indicated that hand-washing was not suitably managed:

the wash hand basin was obstructed by hot holding equipment

**Legal Requirement** An adequate number of wash hand basins must be available for use, they must be suitably located and designated for cleaning hands.

# 2. Structure and Cleaning

The structure facilities and standard of cleaning and maintenance are of a generally satisfactory standard but there are some repairs and/or improvements which are required

in order for you to comply with the law. Pest control and waste disposal provisions are adequate. The contraventions require your attention; although not critical to food safety they may become so if not addressed. (Score 10)

### Cleaning of Structure

**Contravention** The following items were dirty and require more frequent and thorough cleaning:

- around equipment feet
- behind and under equipment
- floor/wall junctions

**Contravention** The following items could not be effectively cleaned and must be covered or made non-absorbent:

- mdf or chipboard shelves
- rawl plugs and drill holes in wall
- unsealed wooden structures
- wooden furniture

#### Maintenance

**Contravention** The following had not been suitably maintained and must be repaired or replaced:

- damaged cladding
- floor surfaces
- wall surfaces

# 3. Confidence in Management

A food safety management system is in place and you demonstrate a very good standard of compliance with the law. You have a good track record. There are some minor contraventions which require your attention. Your staff are suitably supervised and trained. You have a good track record. There are some minor contraventions which require your attention. (Score 5)

# Type of Food Safety Management System Required

**Information** If you want to keep everything on your computer or tablet an electronic version of the Safer Food Better Business pack is also available on the FSA website www.food.gov.uk/business-industry/caterers/sfbb However, do make sure staff have access to it at all times when working.

### Proving Your Arrangements are Working Well

<u>Contravention</u> The following matters are needed in order to demonstrate your food safety management system is working as it should:

- cleaning schedule
- · daily records

temperature records

# Waste Food and other Refuse

**Observation** You had measures in place to dispose of waste food appropriately and were employing the services of an approved waste contractor.

# <u>Allergens</u>

**Information** Allergen information could be written down on a chalk board or chart, or provided orally by a member of staff. Where the specific allergen information is not provided upfront, clear signposting to where this information could be obtained must be provided.

**Recommendation** Make a chart listing all your meals together with the 14 allergens (if present). Bring the chart to the attention of your customers and your staff.
