**What you must do to comply with the law**

The report may include **Contraventions** - matters which do not comply with the law. You must address all of the contraventions identified; failure to do so could result in legal action being taken against you.

As a guide, contraventions relating to cleaning, temperature control and poor practice, should be dealt with straight away.

Contraventions relating to structural repairs, your food safety management system and staff training, should be completed within the next 2 months.

Health and safety contraventions should be dealt with within 3 months unless otherwise stated.

To assist you the report may also include **Observations** of current practice, useful **Information, Recommendations** of good practice and reminders of **Legal Requirements** .

My inspection was not intended to identify every contravention of the law and only covers those areas, practices and procedures examined at the time of the inspection. If the report fails to mention a particular matter this does not mean you have necessarily complied with the law.

## FOOD SAFETY

### How we calculate your Food Hygiene Rating:

The food safety section has been divided into the three areas which you are scored against for the hygiene rating: 1. food hygiene and safety procedures, 2. structural requirements and 3. confidence in management/control procedures. Each section begins with a summary of what was observed and the score you have been given. Details of how these scores combine to produce your overall food hygiene rating are shown in the table.

Compliance Area	You Score					
Food Hygiene and Safety	0	5	10	15	20	25
Structure and Cleaning	0	5	10	15	20	25
Confidence in management & control systems	0	5	10	15	20	30

  

Your Total score	0 - 15	20	25 - 30	35 - 40	45 - 50	> 50
Your Worst score	5	10	10	15	20	-

  

Your Rating is	5	4	3	2	1	0
----------------	---	---	---	---	---	---

Your Food Hygiene Rating is 5 - a very good standard

### 1. Food Hygiene and Safety

Food Hygiene standards are excellent. You demonstrated full compliance with legal requirements. You have safe food handling practices and procedures and all the necessary control measures to prevent cross-contamination are in place. **(Score 0)**

### 2. Structure and Cleaning

The structure facilities and standard of cleaning and maintenance are all of a good standard and only minor repairs and/or improvements are required. Pest control and waste disposal provisions are adequate. The minor contraventions require your attention. **(Score 5)**

#### Cleaning of Structure

**Contravention** The following items could not be effectively cleaned and must be covered, made non-absorbent or replaced:

- floors in rear storeroom
- walls in rear storeroom

### 3. Confidence in Management

A food safety management system is in place and you demonstrate a very good standard of compliance with the law. You have a good track record. There are some minor contraventions which require your attention. Your records are appropriate and generally maintained. You have a good track record. There are some minor contraventions which require your attention. **(Score 5)**

### Type of Food Safety Management System Required

**Legal Requirement** Food business operators must put in place, implement and maintain a permanent procedure or procedures based on HACCP principles:

- Identify hazards to food.
- Identify the critical limits (what is acceptable and unacceptable).
- Monitor critical control points to ensure critical limits are met.
- Keep appropriate records to demonstrate control measures are effective.

### Proving Your Arrangements are Working Well

**Contravention** The following matters are needed in order to demonstrate your food safety management system is working as it should::

- temperature records
- you need to add more detail on when staff should check for any out of date food or drink i.e.milk and what action is to be taken if found. You also need to have evidence this check has been carried out. This could be a written or electronic daily check record similar to your other checks you carry out.

### Allergens

**Legal Requirement** Caterers must provide allergy information on all unpackaged food they sell. Catering businesses include restaurants, takeaways, deli counters, bakeries and sandwich bars etc. The potential for cross-contamination by allergens must also be made known to consumers. In addition food manufacturers must now label allergy causing ingredients on their pre-packed foods. You can obtain more information from the Trading Standards website [www.norfolk.gov.uk/abc](http://www.norfolk.gov.uk/abc)

**Legal Requirement** Any business that produces PPDS food is required to label it with the name of the food and a full ingredients list, with allergenic ingredients emphasised within the list. [www.food.gov.uk/business-guidance/introduction-to-allergen-labelling-changes-ppds](http://www.food.gov.uk/business-guidance/introduction-to-allergen-labelling-changes-ppds)

**Legal Requirement** Food manufacturers must label allergy causing ingredients on their pre-packed foods. If you use pre-packed foods as ingredients you need to include the allergens listed on them within your own list of allergens. For example, some pre-packed spices you use will contain mustard which your customers will need to be made aware of.
