**Relevant Legislation**

Food Safety Act 1990 (as amended)  
Regulation (EC) No 178/2002 applied by The General Food Regulations 2004 (as amended)  
Regulation (EC) No 852/2004 and No 853/2004 applied by Regulation 19 (1) of the Food Safety and Hygiene (England) Regulations 2013  
Health and Safety at Work etc. Act 1974 and related regulations  
Food Information Regulations 2014

**What you must do to comply with the law**

The report may include **Contraventions** - matters which do not comply with the law . You must address all of the contraventions identified; failure to do so could result in legal action being taken against you.

As a guide, contraventions relating to cleaning, temperature control and poor practice, should be dealt with straight away.

Contraventions relating to structural repairs, your food safety management system and staff training, should be completed within the next 2 months.

Health and safety contraventions should be dealt with within 3 months unless otherwise stated.

To assist you the report may also include **Observations** of current practice, useful **Information, Recommendations** of good practice and reminders of **Legal Requirements**.

My inspection was not intended to identify every contravention of the law and only covers those areas, practices and procedures examined at the time of the inspection. If the report fails to mention a particular matter this does not mean you have necessarily complied with the law.

## FOOD SAFETY

### How we calculate your Food Hygiene Rating:

The food safety section has been divided into the three areas which you are scored against for the hygiene rating: 1. food hygiene and safety procedures, 2. structural requirements and 3. confidence in management/control procedures. Each section begins with a summary of what was observed and the score you have been given. Details of how these scores combine to produce your overall food hygiene rating are shown in the table.

Compliance Area	You Score					
Food Hygiene and Safety	0	5	10	15	20	25
Structure and Cleaning	0	5	10	15	20	25
Confidence in management & control systems	0	5	10	15	20	30
<b>Your Total score</b>	<b>0 - 15</b>	20	25 - 30	35 - 40	45 - 50	> 50
<b>Your Worst score</b>	<b>5</b>	10	10	15	20	-
<b>Your Rating is</b>	<b>5</b>	4	3	2	1	0

Your Food Hygiene Rating is 5 - a very good standard

### 1. Food Hygiene and Safety

Food hygiene standards are high. You demonstrated a very good standard of compliance with legal requirements. You have safe food handling practices and procedures and all the necessary control measures to prevent cross-contamination are in place. Some minor contraventions require your attention. **(Score 5)**

#### Contamination risks

**Observation** I was pleased to see you were able to demonstrate effective controls to prevent cross-contamination.

**Contravention** The brown chopping board was heavily worn and requires replacing.

#### Hand-washing

**Observation** I was pleased to see handwashing was well managed.

#### Personal Hygiene

**Observation** I was pleased to see that standards of personal hygiene were high.

## Temperature Control

**Observation** I was pleased to see you were able to limit bacterial growth and/or survival by applying appropriate temperature controls at points critical to food safety and that you were monitoring temperatures.

## **2. Structure and Cleaning**

The structure facilities and standard of cleaning and maintenance are all of a good standard and only minor repairs and/or improvements are required. Pest control and waste disposal provisions are adequate. The minor contraventions require your attention. **(Score 5)**

### Cleaning of Structure

**Observation** The kitchen had been well maintained and the standard of cleaning was good.

### Cleaning Chemicals / Materials / Equipment and Methods

**Observation** I was pleased to see that the premises was kept clean and that your cleaning materials, methods and equipment were able to minimise the spread of harmful bacteria between surfaces.

**Contravention** The small fridge door handle requires cleaning.

### Maintenance

**Observation** You are generally maintaining the premises in good condition.

**Contravention** There is a patch of missing floor covering at the base of the stairs leading down to the basement. This must be replaced so that the floor can be easily cleaned.

### Facilities and Structural provision

**Observation** I was pleased to see the premises had been well maintained and that adequate facilities had been provided.

### Pest Control

**Observation** You have a pest control contract in place and there is no evidence of pest activity on the premises.

**Observation** I was pleased to see that the premises was proofed against the entry of pests and that pest control procedures were in place.

### **3. Confidence in Management**

A food safety management system is in place and you demonstrate a very good standard of compliance with the law. You have a good track record. There are some minor contraventions which require your attention. **(Score 5)**

**Contravention** The contraventions in the two categories above have been reflected in this category.

#### **Type of Food Safety Management System Required**

**Observation** Your SFBB/food safety management system was in place and working well. I was confident you had effective control over hazards to food.

**Observation** You were date labelling perishable foods appropriately and could demonstrate effective control over food spoilage organisms.

**Observation** You had colour-coded equipment and effective separation between raw and ready-to-eat food at all stages in your operation.

**Observation** You were monitoring (and recording) the temperatures of your fridges and freezers well as the temperature of cooked/hot-held food and could demonstrate effective systems for controlling bacterial growth and survival.

#### **Proving Your Arrangements are Working Well**

**Legal Requirement** Your fridge and freezer temperatures had not been completed for yesterday.

#### **Infection Control / Sickness / Exclusion Policy**

**Observation** Policies were in place to prevent any infected food handler from contaminating food.

#### **Waste Food and other Refuse**

**Observation** You had measures in place to dispose of waste food appropriately and were employing the services of an approved waste contractor.
