stating	e actual operating hours of the premis	ses.

b) The prevention of crime and disorder

- CD1: All staff engaged in licensable activity at the premises will receive training and information in relation to the following:
- i. The Challenge 25 scheme in operation at the premises, including the forms of identification that are acceptable.
- ii. The hours and activities permitted by the premises licence issued under the Licensing Act 2003 and conditions attached to the licence.
- iii. How to complete and maintain the refusal register in operation at the premises (in relation to the sale of alcohol).
- iv. Recognising the signs of drunkenness.
- v. The operating procedures for refusing service to any person who is drunk, under-age or appears to be under-age, or appears to be making a proxy purchase.
- vi. Action to be taken in the event of an emergency, including reporting an incident to the emergency services.

Training shall be recorded in documentary form and shall be regularly refreshed at no greater than 12 month intervals. Training records shall be made available for inspection and copying at reasonable times upon request of an authorised officer of a responsible authority. Training records will be retained for at least 12 months.

CD2: An incident log shall be kept and maintained at the premises which will include a log of the following, including pertinent details:

- i. Any incidents of disorder or of a violent or antisocial nature;
- ii. All crimes reported to the venue, or by the venue to the police;

Records must be completed within 24 hours of any incident, and will contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. The logs shall be kept for at least 12 months following the date of entry and be made available for inspection and copying upon request of an authorised officer of a responsible authority.

CD3: The premises shall install, operate, and maintain a comprehensive digital colour CCTV system to the satisfaction of the Police. All public areas of the licensed premises including entry and exit points will be covered. The system must record clear images permitting the identification of individuals, and in particular enable facial recognition images (a clear head and shoulder image) of every person entering and leaving in any light condition. The CCTV system will continually record whilst the premises are open for licensable activities and during all times when customers remain on the premises. All equipment must have a constant and accurate time and date generation. All recordings will be stored for a minimum period of 31 days with date and time stamping. Recordings will be made available immediately upon the request of an authorised officer of a responsible authority throughout the entire 31 day period. The telephone number will be a direct number to the management who are in control during opening hours. A record will be kept by management of all calls received, including the time, date and information of the caller, including action taken following the call. Records will be made available for inspection and copying by an authorised officer of a responsible authority throughout the trading hours of the premises. PN2: No deliveries (in relation to licensable activities) to the premises shall

PN3 During the hours of operation of the premises, sufficient measures will be taken to remove and prevent litter and waste arising or accumulating from customers in the area immediately outside the premises.

PN4: No collections of waste or recycling materials (including bottles) from the premises shall take place between 23:00 hours and 07:00 hours on the following day.

CH1: All staff, supervisors and managers must be trained in the legality and procedure of alcohol sales, prior to undertaking the sale of alcohol and then at least every 12 months. Training shall be signed and documented. Training records must be kept on the premises and be made available for inspection and copying to an authorised officer of a responsible authority on request. The documentation relating to training should extend back to a period of at least 12 months and should specify the time, date and details of the persons both providing the training and receiving the training.
