Exhumation Of a Body - The exhumation fee is also subject to VAT if the exhumed body is not to be subsequently re-buried, therefore the resting place for the exhumed body must be declared when booking an exhumation Exhumation is only permitted with the appropriate authority, which may be a Ministry of Justice licence and/or a faculty from the Church of England. All of the required permissions must be obtained by the person applying for the exhumation			
Exhumation Of Cremated Remains - The exhumation fee is also subject to VAT if the exhumed cremated remains are not subsequently re-buried. The exhumation of cremated remains is only possible if the ashes are known to have been interred within a container. If the ashes cannot be successfully identified this service is non-refundable.			
Charges include VAT where applied.
