M – Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) ([please read guidance note 9 \(opens in a new tab\)](#))

The premises comprises a secure, self-contained commercial warehouse unit situated within an established industrial estate. The internal layout consists of a main warehouse floor utilized for the palletized storage, picking, and packing of sealed ambient wine stock, an integrated office area for e-commerce administration, a roller shutter door for goods vehicle loading, and standard staff amenities. The property is fitted with robust commercial locks and will operate strictly as a closed-to-the-public online fulfillment hub with no public access or on-site retail facilities. Also store of stock for THE WALLOW (36 Exchange Street, Norwich, NR21AX)As a closed-to-the-public commercial facility, there will be no customer footfall, thereby eliminating risks associated with public crowding or public safety on site. The premises will be maintained in full compliance with all relevant Health and Safety at Work legislation and Fire Safety regulations. Clear escape routes, illuminated exit signage, and appropriate fire fighting equipment (including extinguishers) will be maintained as indicated on the premises plan. Access for goods vehicles and couriers will be managed safely within the designated loading bays.

b) The prevention of crime and disorder

The premises shall operate as a secure commercial warehouse and online fulfillment hub, with no public access or on-site retail sales. The building will remain securely locked at all times, with access restricted solely to authorized staff and designated courier personnel. A robust security system, including secure commercial cylinder locks and a heavy-duty roller shutter door, will be maintained to protect the stock and prevent unauthorized entry

c) Public safety

As a closed-to-the-public commercial facility, there will be no customer footfall, thereby eliminating risks associated with public crowding or public safety on site. The premises will be maintained in full compliance with all relevant Health and Safety at Work legislation and Fire Safety regulations. Clear escape routes, illuminated exit signage, and appropriate fire fighting equipment (including extinguishers) will be maintained as indicated on the premises plan. Access for goods vehicles and couriers will be managed safely within the designated loading bays.

d) The prevention of public nuisance

The premises will generate no public nuisance, as there will be no retail customers visiting the site, and no public loitering. Operational noise will be negligible, consisting strictly of standard indoor packing activities and the arrival of daytime courier vehicles for stock collection. All waste packaging will be stored internally within the commercial unit and disposed of responsibly via a contracted commercial waste management service, ensuring no litter or refuse accumulates outside

e) The protection of children from harm

Members of the public, including children, will not be permitted access to the premises at any time. To prevent the sale of alcohol to minors via our online platform, Wallow Wine Limited will employ an age-verification process:

- 1.An upfront digital age-verification gateway will require website users to confirm they are 18 years of age or older before accessing the online shop or placing an order.
- 2.All third-party courier services contracted for order distribution will be strictly required to operate an industry-standard 'Challenge 25' verification policy upon delivery.
- 3.Couriers will be instructed that alcohol must never be handed over to any person who appears under the age of 25 without the provision of valid photo identification (such as a Passport, Photocard Driving Licence, or PASS-accredited card).
- 4.Couriers will be explicitly instructed that packages containing alcohol must never be left in a designated 'safe place' or delivered to a minor.

Declaration ([please read guidance note 10 \(opens in a new tab\)](#))

[Applicable to individual applicants only, including those in a partnership which is not a limited liability partnership] I understand I am not entitled to be issued with a licence if I do not have the entitlement to live and work in the UK (or if I am subject to a condition preventing me from doing work relating to the carrying on of a licensable activity) and that my licence will become invalid if I cease to be entitled to live and work in the UK.

The Designated Premises Supervisor named in this application form is entitled to work in the UK (and is not subject to conditions preventing them from doing work relating to a licensable activity) and I have seen a copy of their proof of entitlement to work, if appropriate.

A person commits an offence if they knowingly or recklessly makes a false statement in or in connection with an application for a premises licence.

It is an offence under section 24b of the Immigration Act 1971 for a person to work when they know, or have reasonable cause to believe, that they are disqualified from doing so by reason of their immigration status. Those who employ an adult without leave or who is subject to conditions as to employment will be liable to a civil penalty under section 15 of the Immigration, Asylum and Nationality Act 2006 and pursuant to section 21 of the same act, will be committing an offence where they do so in the knowledge, or with reasonable cause to believe, that the employee is disqualified.
