Management measures

Provide further information for the following questions to support your application:

- Outline how the area will be managed to ensure all conditions are complied with when the licence is in use.
- Outline how local nuisance will be managed.
- Will the placement of the table and chairs allow for people to pass with a minimum of 2 metres?
- Where will the pavement furniture be stored outside of licensable hours.

1. We will have one reception staff to check and maintain the outdoor area at all time
2. No alcohol will be sold outside and we expected only for people waiting or take a cup of coffee
3. yes, it will still be available people to pass with more than 2 meters
4. Furniture will store in the restaurant.

Supporting documents

Please provide the following:

- One plan showing the proposed extent of the area requested (in relation to the premises), with the position of the proposed street furniture, including tables, chairs, and any other permitted furniture. This plan should show the distance between the furniture and the nearest obstruction and / or the edge of the pavement at the narrowest point.
- Photographs of proposed street furniture and if possible, manufacturers literature and details of furniture to be used
- The appropriate fee
- Proof of Public Liability Insurance which covers up to £5 million

You will need two types of plans:

Location plan – to show where your proposal is situated in relationship to the surrounding area. You must clearly edge the site boundary in red.

Detailed plan (with elevations) – to show the proposed pavement licence and its relationship to existing buildings and features. The main dimensions should be clearly stated. It should include all the information required by the questions above.

Please attach documents using the Upload & Attach Files button.

Types of files accepted as attachments: gif, jpg, jpeg, tif, tiff, bmp, png and pdf.

Please ensure that documents you attach are complete, accurate and easy to read otherwise your application will not be validated.
